I do have another case scheduled tomorrow in Roxbury District Court, but the ADA for that trial does "anticipate that we will resolve this case so I think that it is fine to have you 'on call'--". It appears that the only charge is possession of a class "C" drug. She (the ADA) is aware that it would take me a couple hours to get there, so I'm pretty sure she wouldn't need me until after lunch, probably mid to late afternoon. And, as she indicated, I'm not expecting to have to go at all. Would you want me on call for your case as well?

Hi Sonja,

We have a case tomorrow in the Springfield District Court [REDACTED]. Are you scheduled to be in other courts tomorrow or is this the only case?
